CSG - Subscription 2009/10

May we please remind you that the CSG subscription for 2009 is due on the 1st January. The 2009 subscription rates are **£15** for members resident in the UK, **£21** otherwise plus, in each case, £1 for each additional member at the same address. If you have a standing order, you will need to amend it well before 1st January. Otherwise sterling or sterling cheques only. Bank charges for changing any other currency are ridiculous.

The Irish Republic has a special arrangement via Willie Cumming and, as always, **standing order** payments are encouraged (see tear-off form below). Additionally, international payments may be made using the Internet and your credit card at *PayPal* which is to be found at www.paypal.com - once there, click on 'Send Money' and then follow the on-screen instructions. You will be asked to enter an email address; you should use davidhb@zoom.co.uk You will need to calculate the local currency equivalent of £21 GBP and then add the fee charged to CSG for use of the facility being: *Euro zone* 3.9% + € 0.35 - *USA* 3.9% + \$ 0.30 USD - *Canada* 3.9% + \$ 0.55 CAD. These figures include the additional cross-border fee. You should also ensure that you include your name (including initials) and address so that I can make an accurate entry on the record of membership.

David Bartlett,
Membership Secretary.
